ABOUT ME

Motivated and enthusiastic first year B.Tech student with a strong foundation in engineering principles and a keen interest in practical learning. Eager to apply theoretical knowledge to real world problems and contribute innovative projects.

EDUCATION:

Jukhiya KN Banimandir High School

- Higher Secondary 2024-2025

Institute of Engineering and Management

- B Tech 2025-PRESENT

PROJECTS:

Visualvibe:

- Developed a responsive web application with an interactive and user-friendly interface, focused on smooth performance and modern UI design.
- Implemented dynamic features and optimized functionality using front-end technologies to enhance user experience and accessibility.

SMART HOME AUTOMATION SYSTEM:

- Developed a smart home automation system using Arduino, servo motors, and Wi-Fi control to convert traditional wall switches into smart switches without rewiring.

Implemented an affordable IoT-based solution for remote switching and home automation.

TECHNICAL SKILLS:

- Python
- CSS
- HTML
- C
- DSA with C++
- Canva Designe

ADDITIONAL INFORMATION:

- Languages:** English, Hindi, Bengali.
- Hobbies:** Drawing, Recitation
